

DUNKERTON CSD

SPRING 2023 IOWA STATEWIDE ASSESSMENTS

Dunkerton students worked hard this year, set goals for improvement, and made notable gains on the Spring 2023 Iowa Statewide Assessment of Student Progress (ISASP). While we are extremely pleased with the progress our students have made on these assessments, they are only one measure of the academic success of our students. As a district, we will continue to focus on providing high quality, standards-based instruction that meets the multiple needs of all our amazing students.

WAY TO GO RAIDERS!
